Regional Chamber of Commerce

## DigiGirlz Day

Microsoft and University of California, Riverside Extension in partnership with Inland Empire Regional Chamber of Commerce will be hosting a DigiGirlz event in Riverside, California.

The event is free and open to girls, 6<sup>th</sup>-12<sup>th</sup> grade.

During the event, students interact with employees to gain exposure to careers in business, technology and learn various aspects in coding and application development. This exciting event provides girls with career planning assistance, information about technology and business roles, thought-provoking exercises, and interesting Microsoft product demonstrations. Participation in DigiGirlz provides young women a better understanding of careers in the technology industry.
